ANALYST NOTES

Project 8003  
170900 Jun 80  
Session CD-52

+11 large training area - rolling hills w/"islands" of tree clumps  
taken from great distance from clump of trees

Focus on tank, move up and locate area.

typical of training from E. Germany/Poland to West of Urals

Move to 125 NM so you can see where it is.

+19 somewhere within UR, NW, SW or west of Moscow  
can't shake it

he has his hand on the special armor siding

Move space/time with tank to place of final assembly

other tanks sitting out but not same type  
huge complex of manufacturing

Move to altitude and locate

NW of greater Moscow  
photo was SW of Moscow

+26 Anything to add?

photo not taken by American  
perhaps French or British

What?

taken in uniform - uniform looks more British  
than anything else
